### **FINDINGS AND DECISION**

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

**Background**

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.204 (j)(4) defines the billing and reimbursement procedures for evaluation of Impairment Rating.
3. The services in dispute were reduced/denied by the respondent with the following reason codes:
  - CAC-W1 – Workers Compensation State Fee Schedule adjustment.
  - 790 – This charge was reimbursed in accordance with the Texas Medical Fee Guideline.

**Issues**

1. What is the total allowable amount for the impairment rating of the spine?
2. Is the requestor entitled to additional reimbursement?

## Findings

1. Per 28 Texas Administrative Code §134.204 (j)(4), "The following applies for billing and reimbursement of an IR evaluation. (C) For musculoskeletal body areas, the examining doctor may bill for a maximum of three body areas. (ii) The MAR for musculoskeletal body areas shall be as follows. (I) \$150 for each body area if the Diagnosis Related Estimates (DRE) method found in the AMA Guides 4th edition is used. (II) **If full physical evaluation, with range of motion, is performed: (-a-) \$300 for the first musculoskeletal body area; and (-b-) \$150 for each additional musculoskeletal body area**" [emphasis added]. The provider supplied a report with a full physical evaluation with range of motion to determine Impairment Rating. The provider stated, "Based on Page 99 from the AMA Guides to the Evaluation of Permanent Impairment, 4<sup>th</sup> edition, the Range of Motion Differentiator was utilized in determining placement of the examinee into the correct DRE Category ... Range of Motion was performed and utilized for this evaluation." The division concludes that the total allowable for the impairment rating of the spine is \$300.00.
2. The respondent issued payment in the amount of \$150.00 for the IR of the spine. Based upon the documentation submitted, additional reimbursement in the amount of \$150.00 is recommended.

## Conclusion

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$150.00.

## **ORDER**

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code Sections 413.031 and 413.019 (if applicable), the Division has determined that the requestor is entitled to additional reimbursement for the services involved in this dispute. The Division hereby **ORDERS** the respondent to remit to the requestor the amount of \$150.00 plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this Order.
